

## Foundations® Solid Wood Folding Cribs

Foundations commercial cribs combine the highest quality construction with state of the art features. Heavy-duty hardware, reinforced mattress board, and 4" commercial casters make these the most durable wood hotel cribs available. Innovative hinges for easy folding. A Professional Series™ ultradurable antimicrobial mattress provides superior comfort and is included with every crib on this page. Easy assembly with tools included. Full 1-year warranty. Cribs are independently certified by the Juvenile Products Manufacturer's

Association (JPMA) to meet all applicable mandatory and voluntary safety standards published by the CPSC, ASTM, and JPMA as well as Flammability Standard 1633. **Foundations uses wood certified to be harvested with safe and responsible forestry practices as defined by the Programme for the Endorsement of Forest Certification (PEFC), an international non-profit, non-governmental organization dedicated to promoting Sustainable Forest Management (SFM) through independent third-party certification.**
